## Information about the batch system (SLURM)

For the old torque documentation, please see the old documentation.

Please confer /etc/slurm/README.

Overview

**Available Partitions** 

**Interactive Jobs** 

**Batch Jobs** 

FAQ

Why's my job not running?

How can I check which jobs are running in the machine?

How do I do chain jobs with dependencies?

How can get a list of broken nodes?

Can I still use the old DEEP Booster nodes?
